

Principal and Teacher Performance Evaluator Training Program

September 15, 2016, Volume 6, Issue 1

Increase in Teacher Evaluators Training

A total **18,065** of teacher evaluators statewide – including **2,505** from the Chicago Public Schools – are registered for teacher performance evaluation training through Growth Through Learning. Of these registrants, **16,631** teacher evaluators statewide have begun training through the Growth Through Learning web portal.

84% Proficient on Module 4
15,190 are proficient on Module 4 and prequalified to move evaluation to reach a final summative rating not including growth.

75% Proficient on Module 5
13,588 are proficient on Module 5 and prequalified to move evaluation to reach a final summative rating including student growth.

Growth in Principal Evaluators in Training

The number of principal evaluators in training has increased now to and 61% are proficient on all five modules.

Once you pass a module's assessment **do not reopen the assessment**. If you have questions, please call **(800) 416-9734** or write the **Webmaster at Webmaster @ Growththroughlearningillinois.org**.

Module 2 (Teachscape) and Module 3's (no assessment required) results will not show in GTL My Courses Page. Those are recorded separately.

Your IEIN# needs to be listed in your profile in our system for your results to be reported to ISBE.

When in Growth through Learning Illinois do not change your password if given the option it keeps the server from receiving your information. It is okay to change in Teachscape.

Each week we send a list of those completing Modules 1-3 and Modules 1-5 to ISBE. ISBE uploads to your ELIS credentials.

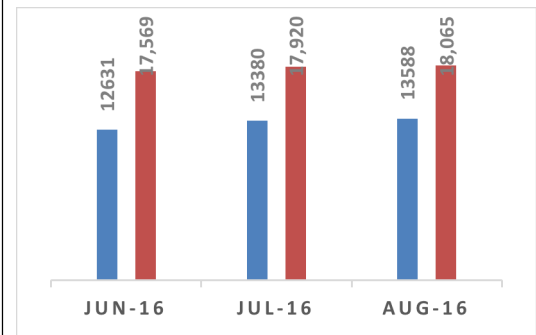

Your Training Module must be closed before opening your Assessment Module.

Only Growth through Learning can create you an account in Teachscape.

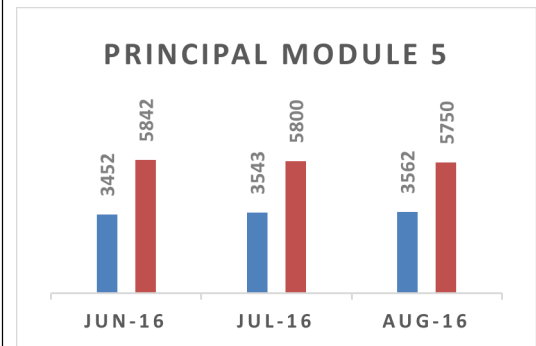

Your name needs to be the same in our system as it is written in your ELIS account with ISBE.

Teacher Evaluators Module 5

Month-by-month numbers of teacher evaluators **registered for training** and demonstrating **proficiency on Module 5**
