

How to Register for Remediation:

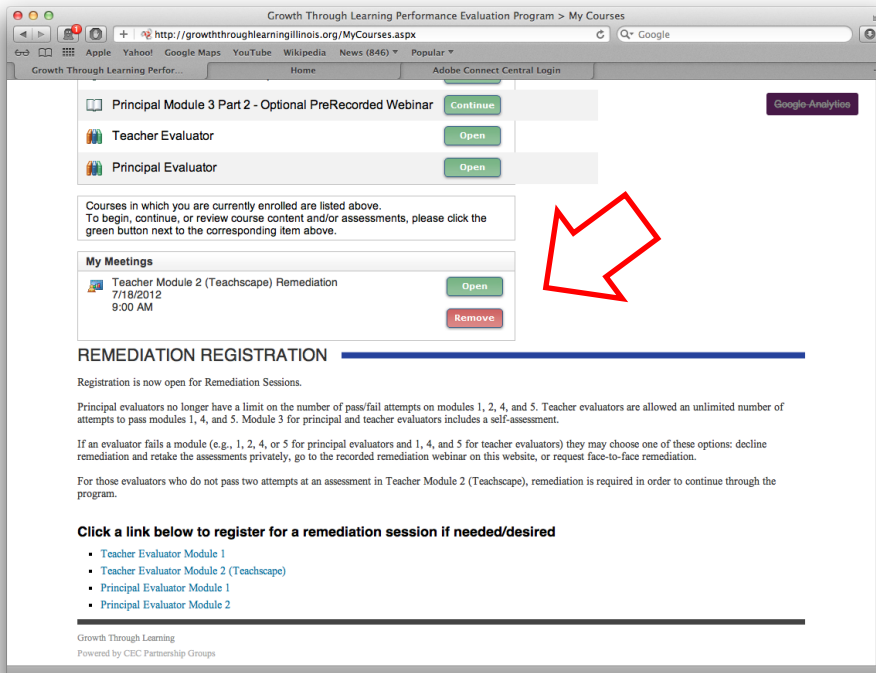

1. Log in to your account from GrowthThroughLearningIllinois.org.
2. Visit your My Courses page. The remediation notification and remediation sessions are visible below the list of available courses.

3. By clicking on one of the links in the remediation notification, you will connect to THE Remediation Registration page.

4. Select the session you want by clicking the green “Select” button next to the corresponding session. This will automatically enroll you in that session.
5. When you return to your My Courses page, the remediation session you just selected will be listed.

6. At the scheduled time of the webinar, you can return to your My Courses page and click the "Open" button to enter the webinar. If you wish to cancel your registration, click the red "Remove" button in that webinar.

You can sign up for a different session by repeating this process.
