**Once you pass a module's assessment, do not reopen the assessment. If you have questions, please call (800) 416-9734 or write the Webmaster at [Webmaster@Growththroughlearningillinois.org](mailto:Webmaster@Growththroughlearningillinois.org)**

**Since Module 2 (Teachscape) is on a separate platform and there is no assessment for Module 3's, both results will not show in GTL My Courses Page. Those are recorded separately.**

**Your IEIN# needs to be listed in your profile in our system for your results to be reported to ISBE.**

**When in Growth through Learning Illinois do not change your password if given the option it keeps the server from receiving your information. It is okay to change in Teachscape.**

**Each week we send a list of those completing Modules 1-3 and Modules 1-5 to ISBE. ISBE uploads to your ELIS credentials.**

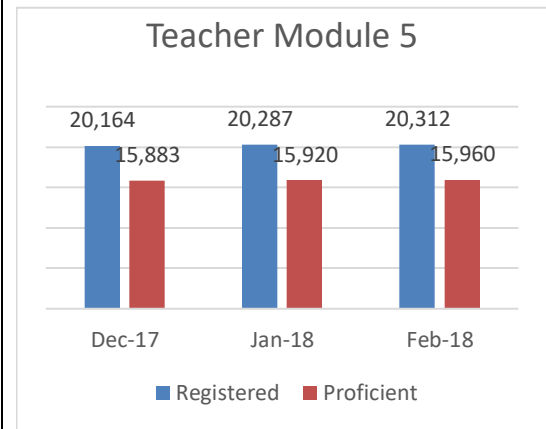

**Your Training Module must be closed before opening your Assessment Module.**

**Only Growth through Learning can create you an account in Teachscape.**

**Your name needs to be the same in our system as it is written in your ELIS account with ISBE.**
