Users will not have access to the Teachscope site nor will they be able to assess or study during this time due to maintenance of the system. Thank you.

Once you pass a module's assessment do not reopen the assessment. If you have questions, please call (800) 416-9734 or write the Webmaster at Webmaster @ Growththroughlearningillinois.org.

Module 2 (Teachscope) and Module 3's (no assessment required) results will not show in GTL My Courses Page. Those are recorded separately.

Your IEIN# needs to be listed in your profile in our system for your results to be reported to ISBE.

When in Growth through Learning Illinois do not change your password if given the option it keeps the server from receiving your information. It is okay to change in Teachscope.

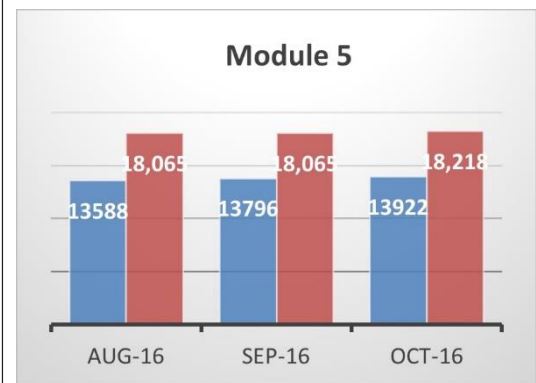

Each week we send a list of those completing Modules 1-3 and Modules 1-5 to ISBE. ISBE uploads to your ELIS credentials.
