

## Principal and Teacher Performance Evaluator Training Program

May 17th, 2017, Volume 10, Issue 8

### Increase in Teacher Evaluators Training

A total of 18,938 teacher evaluators statewide – including 2,529 from the Chicago Public Schools – are registered for teacher performance evaluation training through Growth Through Learning. Of these registrants, 17,362 teacher evaluators statewide have begun training through the Growth Through Learning web portal.

**85% Proficient on Module 4**  
**15,922** are proficient on Module 4 and prequalified to move evaluation to reach a final summative rating not including growth.

**77% Proficient on Module 5**  
**14,530** are proficient on Module 5 and prequalified to move evaluation to reach a final summative rating including student growth.

### Growth in Principal Evaluators in Training

The number of principal evaluators in training has increased now to **4,275** and **63%** are proficient on all five modules.

Once you pass a module's assessment, **do not reopen** the assessment. If you have questions, please call **(800) 416-9734** or write the Webmaster at [Webmaster@Growththroughlearningillinois.org](mailto:Webmaster@Growththroughlearningillinois.org)

**Module 2 (Teachscape) and Module 3's (no assessment required) results will not show in GTL My Courses Page. Those are recorded separately.**

**Your IEIN# needs to be listed in your profile in our system for your results to be reported to ISBE.**

**When in Growth through Learning Illinois do not change your password if given the option it keeps the server from receiving your information. It is okay to change in Teachscape.**

**Each week we send a list of those completing Modules 1-3 and Modules 1-5 to ISBE. ISBE uploads to your ELIS credentials.**

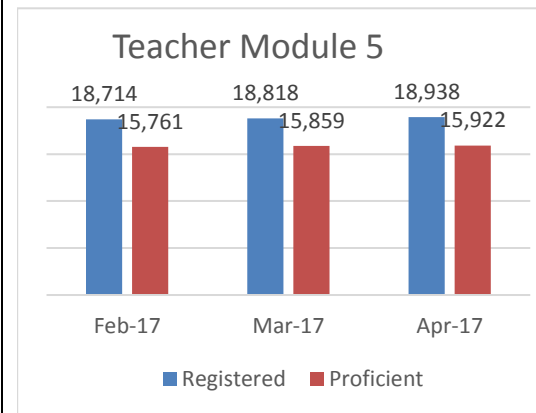

**Your Training Module must be closed before opening your Assessment Module.**

**Only Growth through Learning can create you an account in Teachscape.**

**Your name needs to be the same in our system as it is written in your ELIS account with ISBE.**
